

Who I Trust

Whom have I in heaven Lord but you?
The earth has nothing I'd ever choose.
My heart and flesh may fail, O God never dies.
Forever He will be the strength of my life. The strength of my life.

Chorus:
He's my fortress
He's my rock
My refuge
My God, who I trust

The mountains they may fall so deep to the sea
The earth may tremble, shake beneath my feet
The people they may rise up and fight your holy name
Through all the chaos Lord, you remain unchanged, you remain unchanged

Chorus

Jesus you're the same yesterday today
Through all the ages you remain unchanged
Alpha and omega, my beginning o' my end
With Jesus by your side you'll always win, o' you'll always win.

Chorus

Jessica's Hope

I Am the great I Am
I'm all that's ever been
I know the heart of every man
I hold the world inside my hand

Chorus:
Hold me now
Never let me go
Hold me now
Let your feelings out
Never let you down

I know the dreams you hold inside
I know the fears deep in your mind
I know the things that make you cry

I know the reason's that you die

Chorus

I am the great I Am
I'm all that's ever been
I know the heart of every man
I hold your world inside my hand

Fool's Tale

Called you up on the telephone
I sent my letter to your home
No one answers when I called
It's like no one's ever home

Chorus:
So I'm standing in the street
Callin out for you to meet
No one answer's when I call
They just leave me in the street

I sent a package out to you
A special messenger to you
But you wouldn't take the give I gave
You just pretend it never came

Chorus

My name is wisdom, my name is truth

Important things I have for you
But you wouldn't answer when I called
Now there's nothin' I can do

Chorus

Now one day you will finally see
Just how much you needed me
Then you'll call, but I won't listen
'Cause you rejected me

Then my judgement it will fall
And the truth you'll finally see
I was wisdom all along
You left standing in the street

I was standin in the street
Calling out for you to meet
You wouldn't answer when I called
Now you've gone and lost it all, lost it all

The 23rd

The Lord is my Shepard
I'll never want
He makes me lie down in green fields
He lead's me beside
Quiet waters
He restores my soul

He guides me in a path of
What is right
For the sake of His name

Even though I walk through the valley
Of the shadow of death
I will fear no harm
I know the Lord is with me
His rod and staff
Give me rest, O give me rest

He prepares a feasting table for me
In the presence of my enemies
He anoints my head with oil of joy

My cup overflows

Surely goodness and surely love
Surely goodness and surely love
Will follow me, follow me everyday
Will follow me, everyday of my life

And I'll dwell in the house of
God forever
Feasting at His feet
The Lord is my shepherd
I'll never be in any need

The Lord is my Light

Chorus:

The Lord is my light, my salvation
Who will I fear?
The Lord is my light my salvation
Who will I fear?

I will fear no one
But you and you alone
I will fear no one
But you and you alone

Chorus

And I would've despaired
If I hadn't believed
You'd be good to me
I would've despaired
If I hadn't believed
You'd be good to me

Chorus

The Lord is my light
So take courage to heart
And wait for the Lord
He'll come through for you
Take courage to heart
Wait for the Lord
He'll come through for you

O Lord you're my light
My salvation, who will I fear?

SOAR

I wanna soar where eagle's soar
I wanna fly where eagle's fly
To you

I wanna run and not grow weary
I wanna walk and never faint
To you

I wanna know, see you only
I wanna know, know you only
Know you
